For County Judge—

To the Citizens of Marion County:
I announce that I am a candidate for nomination and re-election to the office of County Judge of Marion County, subject to the Democratic Primary to be held May 15th, 1906.

As I am engaged in the active administration of the duties of the office it will not be possible for me to make an active or extended campaign.

I solicit the support of the Democratic Electors of Marion county, and pledge to them an honest, faithful and upright administration of the duties of the office if it be their desire that I shall again serve them.

Respectfully,
JOSEPH BELL.

For District Attorney.

To the Voters of the Fifth Circuit:
I hereby announce my candidacy for the office of state attorney for the fifth judicial circuit of Florida, composed of the counties of Marion, Citrus, Sumter, Hernando and Lake, subject to the democratic primary to be held May 15, and solicit the support of the democratic voters of this district.

CARLOS L. SISTRUNK.

For Tax Collector:

To the Marion County Democracy:
Believing that I have filled the position of tax collector for state and county during my occupancy of the office acceptably to a large majority of the tax payers of the county, I announce myself a candidate for re-election, subject to the action of the county democracy in the primaries of May 15, next.

From now until the primary comes off will be my busiest season in the office, so much so that it will be impossible for me to neglect my duty to the public in order to make a personal canvass of the county. It would be a pleasure for me to meet the people at the various meetings that in all probability will be arranged by the county democratic executive committee to take place over the county within the next two months, but I think that all good citizens who know me will understand that it is duty before pleasure with me. I submit my candidacy upon my official record and if elected for another term of office, I will do my duty as I have in the past.

Very respectfully,
E. L. CARNEY.

For Tax Collector:

I hereby announce my candidacy for the office of tax collector of Marion county, Florida, subject to the democratic primary to be held May 15, 1906 and solicit the support of the voters of this county.

For Members of the School Board.

I respectfully announce my candidacy for re-election as a member of the school board from the Blitchton district.

B. R. BLITCHTON.

To the Democracy of the 20th Senatorial District.

I hereby announce my candidacy for the office of state senator from the 20th Senatorial district to be voted for at the coming primary of May 15, 1906. I heartily endorse the resolution passed by the executive committee of Marion county of March 17, 1906, asking that Marion county be made an individual senatorial district, and I promise if nominated and elected to use my best efforts to carry into effect the wishes expressed in that resolution, and also to serve the best interests of the people.

Very respectfully,
J. G. BASKIN.

For Representative—

To the Democratic Voters of Marion County:
The many kind expressions coming to me, both through the press and personal interviews, endorsing my record in the legislature of 1905, and with assurances that my services in the past were acceptable to a large majority of the voters of Marion county, I again come before the people of the county as a candidate for the legislature.

If elected, I shall in the future as in the past devote my best efforts to advance and the interest and welfare of the people.

Many important events will face the next legislature of Florida, and with my past experience, I feel better qualified to materially aid in good legislation which shall be my sole consideration.

Very respectfully,
ED. L. WARTMANN.

For Tax Assessor:

To the Democratic Voters of Marion County:

"The unbounded hospitality of the people of New Orleans, their cordial welcome and the royal entertainment of those who attended previous reunions held there, the many attractions of that city, and the extensive preparations now being made, give assurance that the reunion of 1906 will be one of the most enjoyable and successful in the history of our organization.

Selecting of Delegates.

"As provided by Article 5, of the constitution, each camp is entitled to one delegate for every twenty active members in good standing, and one additional for a fraction of ten members, provided, that every camp in good standing is entitled to at least two delegates. Camps in good standing may also select the same number of alternates.

"As only camps in good standing are entitled to representation, if any camp is in arrears it should promptly remit its per capita to division or general headquarters, as the case may be. It is hoped that many of our comrades, whether delegates or not and their friends, will attend.

"The major general commanding most earnestly appeals to every camp that it be represented by delegates at the reunion. It is desired that all staff officers attend in uniform. The charge for a mount to ride in the parade is five dollars. To secure horses write B. T. Walsh, chairman of the committee on horses, etc., New Orleans, a.

The Railway Rates.

"Transportation is at the low rate of one cent per mile for the round trip. The cost of a ticket from each point may be ascertained from the local agents.

"On the additional payment of twenty-five cents, tickets may be extended until April 30th, and for fifty cents until May 31. Ocala agents will advise you as to how this can be arranged.

"The devotion of woman hallowed the cause of the Confederacy, for which men fought, suffered and died. So is the purity of that cause well typified by those fair daughters of the Southland, whom our comrades will be proud to honor.
